Portfolio: <https://www.behance.net/chiaramaranto>

A dedicated professional with an MA in 3D Computer Animation and a Bachelor's in Product Design. I have gained international experience that has enhanced my time management, problem-solving, and collaboration skills, alongside proficiency in 3D software. My expertise includes animating, rendering, and modelling, and I enjoy contributing to the creative process from the early stages. I am eager to apply my skills in my first role in animation and excited to embrace challenges in the creative industry.

EDUCATION

Master of Arts in 3D Computer Animation

University of the Arts London UAL - London
September 2023 - December 2024

Bachelor of Science in Product Design

Politecnico di Milano - Milan
September 2020 - July 2023
Grade: 110/110

WORK EXPERIENCE

Junior Designer

Echo House - London
May 2025 - Ongoing

- Produced high-quality designs and renders under tight deadlines.
- Collaborated with clients to understand their vision and design in line with brand identity.
- Gained hands-on experience with industry-standard software, including Cinema 4D and Adobe Creative Suite.
- Strengthened teamwork skills by working cross-functionally with colleagues from various departments to meet shared objectives.

Barista / Waitress

Stretched & Fired, Battersea - London
September 2023 - January 2024

- Enhanced my English proficiency speaking with people from diverse backgrounds.
- Gained experience managing high-pressure situations in a dynamic environment.
- Improved teamwork by collaborating with colleagues to meet critical goals.

Product Designer (Workshop)

AzUac - Baku, Azerbaijan
February 2023

- Applied the product design skills gained during my undergraduate degree.
- Collaborated with colleagues from diverse professional backgrounds.
- Worked in a culturally diverse environment.
- Successfully managed and completed a project independently.

Group Leader

University College Dublin - Dublin, Ireland
July 2022 - August 2022

- Took responsibility for ensuring the safety of students.
- Demonstrated organisational skills by planning daily activities and excursions.
- Ensured my supervisor was regularly updated on the students' weekly progress.
- Improved my communicational skills by serving as a point of contact between the university and the students.

Administrative Assistant

Erasmus Office, Politecnico di Milano - Milan, Italy
January 2022 - July 2022

- Developed the ability to prioritise tasks and work under pressure to meet multiple deadlines.
- Demonstrated strong attention to detail by processing scholarships, converting grades, and managing extensive documentation from various countries.
- Acted as a point of contact between students and the secretariat.

HOBBIES

In my free time, I enjoy playing video games, reading extensively, ice figure skating, watching films and TV series, and engaging in DIY projects. These activities allow me to relax and continually fuel my creativity and passion for learning.
